Shall Romulus Community Schools, Wayne County, Michigan, borrow the sum of not to exceed One Hundred and Fifty Three Million Dollars (\$153,000,000) and issue its unlimited tax general obligation bonds therefore, for the purpose of defraying all or part of the cost of:

Remodeling, or equipping or reequipping school buildings, including structures, athletic fields, playgrounds, or other facilities, or parts of or additions to those facilities; erecting an addition to the transportation building; furnishing or refurnishing new or remodeled school buildings; preparing, developing, or improving sites, or parts of sites, for school buildings, including structures, athletic fields, playgrounds, or other facilities; purchasing school buses; acquiring, installing, or equipping or reequipping school buildings for technology?

The estimated millage that will be levied for the proposed bonds in the year 2026, under current law, is 2.70 mills (\$2.70 per \$1,000 of taxable valuation) for a -0- mill net increase over the prior year’s levy. The bonds may be issued in one or more series and may be outstanding for a maximum of twenty five (25) years, exclusive of any refunding. The estimated simple average annual millage anticipated to be required to retire this bond debt is 5.13 mills (\$5.13 per \$1,000 of taxable valuation).

The school district currently has \$21,230,000.00 of qualified bonds outstanding and \$0.00 of qualified loans outstanding under the State School Bond Qualification and Loan Program. The school district does not expect to borrow from the program to pay debt service on these bonds. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditures of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator, or employee salaries, or other operating expenses.)
